

Summer Rose Workshop
with
Melinda Bula

<http://www.melindabula.com/>

Learn the basic for building a Fusible Flower quilt. The class works from the Summer Rose pattern. You will learn the steps of developing a flower art quilt by how color works to make a flower look real, how to use the fusible and lay out of design. I encourage creativity while assisting those who may feel timid about color and design. There is a color chart that will help you when selecting your fabrics.

All skill levels can master these flowers and make them their own. The students in class will get 70% of their flower done in class. Melinda will talk about her quilting technique, Renegade Thread Play, which is a simple method of free motion quilting to finish your quilt at home.

Pattern for class is \$15, paid in class.

There is also an optional hand dyed fabric kits for this class, in a choice of 3 colors for \$40.

No sewing machine is needed in class

Supply List

The rose can be made in any color just use the values of the colors on the color chart when changing to another color.

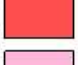

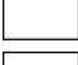

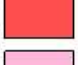

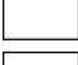

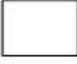

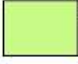

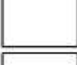

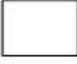

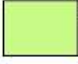

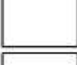

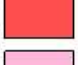

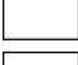

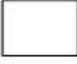

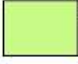

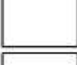

(Values is the lightest color to darkest color and all the colors in-between.)

- 1 yd background fabric
